## 22-Cent Knute Rockne Commemorative Stamp

The 22-Cent Knute Rockne commemorative postage stamp goes on sale March 9, 1988, in Notre Dame, Indiana. Rockne, Notre Dame University's legendary football coach, helped perfect the forward pass as an offensive weapon on the football field and generally led both the sport and the university into the record books.

**Do Not Sell Before March 10, 1988**

**Copyright U.S. Postal Service 1988**

Issued in panes of 50.

A future issue will include collector information.

**Supply.** Offices that normally receive 500 or fewer commemorative stamps will receive their normal distribution quantities. Offices receiving 550 to 1,000 stamps on a double-the-standard distribution will receive a standard distribution, and all other post offices will receive approximately one-fourth their automatic distribution quantities based on a double-the-standard distribution for a 50-subject commemorative.

This reduced automatic distribution is due to the proximity of the stamp's issue date to the planned rate change. As with all rate changes, it is necessary to deplete inventories of outgoing prime rate stamps steadily as the effective date of the rate change approaches. *The Bureau of Engraving and Printing and the Regional Accountable Paper Depositories will not honor supplemental requisitions for Item 440.*

## New Orleans NOT an International Surface Mail Exchange Office

On March 14, 1987, the International Surface Mail Exchange Office Operation in New Orleans, Louisiana, was discontinued. The responsibility for processing the outbound international mail was transferred to the New Jersey International and Bulk Mail Center (NJI & BMC).

The NJI & BMC is still receiving a considerable amount of outbound international surface mail bearing codes 700 or 702. Also, New Orleans is still receiving large quantities of parcels being returned to countries in Africa and Central and South America.

All postal facilities generating international surface mail, including returned items, must revise their operations to reflect the new labeling and routing of the mail. Discard all sack labels indicating New Orleans as a Surface International Exchange Office as well as any direct country labels with 700 or 702.

All postal facilities and mailers making up foreign surface mail, including returns, for Africa and Central and South America, must replace routing code 702 with 099, the routing code for the NJI & BMC. Facilities and mailers must label sacks made up by geographic area for Africa or Central and South America to Foreign Center, NJ 099.

EL-303 Revision

## Distribution of Revised Handbook EL-303

Issue 2 of Handbook EL-303, *Qualification Standards—Bargaining Unit Positions*, is now being distributed. This issue contains all qualification standards that were distributed directly to offices via the interim transmittal memoranda. It also updates titles, levels, and occupation codes for positions changed since Issue 1. In addition, EL-303 now has a revised format.

The transmittal letter includes a summary of all changes. Chapter 1 contains guidelines for the proper use of qualification standards. It also clarifies and/or introduces policy on typing requirements, rated applications, desirable qualifications, etc.

Only authorized holders of this handbook, listed in the distribution list in the transmittal letter, may request additional copies from the supply centers. Offices not authorized should request copies through their chain of command (e.g., associate offices request copies from their management sectional center or division office, headquarters administrative support facilities from Headquarters Personnel Division, etc.). The public may request copies only from the Employee Relations Department at Headquarters.

## Thrift Savings Plan Forms

POSTAL BULLETIN 21643, 10-29-87, "Thrift Savings Plan Account Withdrawal Forms," contained information about employees vested in the Thrift Savings Plan (TSP) who are being separated from the Postal Service.

The Thrift Investment Board advises that all death cases require the completion of a Form TSP-18, Validation of Retirement Information, and Form TSP-17, Application for Account Balance of Deceased Participant. When completing a TSP-18 for a deceased employee, personnel should mark item 11, Retirement Category, "none" and "death" under the block. They should not delay completion and submission of TSP-18 pending completion of TSP-17, but complete and process it promptly. Employing offices must ensure that item 15 of TSP-18 contains the name and address of the certifying official. They must complete item 12 of TSP-18 when checking any block other than "none" in item 11.

A future edition of the EMPLOYEE RELATIONS MANUAL (ELM) will include this and previously published Federal Employees' Retirement System (FERS)/Thrift Savings Plan information. In the interim, each personnel office should assemble and maintain a central file of all such information. A subsequent POSTAL BULLETIN will include a checklist of FERS and TSP information sources.

—Employee Relations Dept., 2-11-88.

## APO/FPO Conditions

The table on pages 3 through 10 outlines conditions that apply to mail addressed to military post offices overseas. This POSTAL BULLETIN (PB) includes the table in its entirety, and it supercedes the table on pages 11-18 in PB 21637, 9-17-87. Keep this table until the next complete table is issued. From time to time, the Bulletin will include instructions to make pen and ink changes to the table.

—Information Resource Management Dept., 2-11-88.

## Postal Quarter II, Philatelic Product Report

The Postal Quarter (PQ) II, Fiscal Year (FY) 1988 philatelic inventory survey begins March 12, 1988. Associate offices must submit all PQ II survey reports on PS Form 1079, *Philatelic Product Physical Inventory Recap* (see page 11). The reverse side of the form has directions for preparing it. Previous forms are obsolete.

By March 18, all associate offices must forward the completed Form 1079 to their Management Sectional Center (MSC) office. MSCs will use these forms to prepare a consolidated report using Form 1079-C, *Philatelic Product Inventory and Sales Report*, which the New York Postal Data Center (PDC) will send them the week of March 7. If any MSC does not receive its form by March 20, they should contact Rebecca Leonard at (212) 613-8534 or PEN 664-8534.

All MSCs and divisions must forward their consolidated Form 1079-C on or before March 28, 1988, to the New York PDC at the following address:

New York Postal Data Center  
Postal Accounts Branch—Philatelic Sales  
1250 Broadway  
New York, New York 10099-9125

It is imperative that all associate offices and MSCs complete, verify, and forward their reports according to schedule because the final Quarter II report will not include delinquent figures.

As a reminder, all divisions and MSCs should report their fiscal year philatelic product goals to the NYPDC at the beginning of FY 1988. If they have not, they must submit these goals to the NYPDC with the Quarter II 1079-C consolidated reports.—*Philatelic & Retail Services Dept.*, 2-11-88.

## PROCEDURES AND INSTRUCTIONS FOR COMPLETING FORM 1079

### I. COPY DISTRIBUTION AND TIMING

AOs—Submit completed form to MSC one week after close of Quarter.  
 MSCs—Three weeks after close of Quarter submit consolidated report.

*Where special regional instructions direct the MSC consolidated report to the Region for review prior to sending to PDC, these instructions should be followed.*

### II. SPECIAL INSTRUCTIONS—FORM 1079

1. With reference to LINE 01 on the form, please include only item 925. Do not include any inventory of older \$2.00 collecting kits such as "U.S. Stamp—1st Edition", "Space", "Animal Kingdom", "World of Sports", "Birds and Butterflies", "Masterworks", "U.S. Stamps—2nd Edition", "50 Countries", "Diamonds", "Travel", "Flags", and "Flower" Collecting Kits. These are Items 930, 907, 909-912, 915-920.
2. Note the consolidation of all of the \$2.50 collecting kits. Please make this consolidation at the associate offices. DO NOT include any items that have been taken off sale.
3. Use *only* the issue of Form 1079 specified in the most recent POSTAL BULLETIN notice or other instructions for the PQ survey. Using earlier issues will adversely impact PDC key punching and other operations.

### III. GENERAL INSTRUCTIONS—FORM 1079

#### 1. COLUMN (A) LINE REFERENCE

Self-explanatory.

2. COLUMN (B): Please refer to separate instructions listing the revisions and write-in entries, if any, needed in this column for the current survey.

#### 3. COLUMN (C) ON HAND BEGINNING OF QUARTER

AO—Refer to previous quarter's report for "On Hand at End of Quarter"—Column F. Column C of this report must be the same of Column F of the previous quarter's report.

MSC—On consolidated report Column C must equal "On Hand at End of Quarter" of the previous quarter's report. Note this data comes preprinted on computerized Form 1079-C and should not be modified. Refer to separate instructions for details.

#### 4. COLUMN (D) INCREASE/RECEIPTS AND ADJUSTMENTS

AO—Record totals by product received from MSC/SDO during the quarter.

MSC—Include only totals to those philatelic products received by the MSC/SDO from outside the MSC such as new products sent by contractor, transfers from Regional APD or from another MSC, during the quarter. DO NOT include shipments received from your AOs or stations and branches as returned stock.

#### 5. COLUMN (E) DECREASE/SHIPMENTS AND ADJUSTMENTS

AO—Record totals by product shipped back to the MSC/SDO by the AO during the quarter. If any stock was returned for destruction at MSC/SDO, attach letter stating amount by products to your 1079 when returned to MSC.

MSC—Include only totals to those philatelic products shipped out of the MSC such as shipments to the Regional ADP or to other MSC/SDO. Do *Not* include shipments to your AOs or stations and branches. Also any products that have been destroyed by Form 3238, *Destruction Certificate*, or items authorized for promotional use as displays are to be included in this column.

#### 6. COLUMN (F) ON HAND AT END OF QUARTER

AO—Record actual item count of AOs' Main Stock and individual clerk stock. If clerk is on leave or otherwise unavailable at report time, count stock prior to departure, if possible.

MSC—Consolidate all AO, station and branch reports and include MSC/SDO Main Stock and Main Office individual clerk stock.

#### 7. COLUMN (G) TOTAL SOLD

AO—Determine total of each product sold during quarter using following formula:

Columns (C + D - E - F) = total items sold.

MSC—Consolidate MSC, station and branch plus AO reports and use same formula as above to determine MSC total sold of each item.

#### 8. COLUMN (H) UNIT SELLING PRICE

Self-explanatory.

#### 9. COLUMN (I) TOTAL COLUMN

Please note it is *not required* for either the AO or the MSC to complete this column (Col G x Col H), since the computer program at the PDC automatically calculates the sales revenue dollars and enters them in the "TOTAL" column. Some AOs and MSC may want to manually calculate total sales dollars for the quarter for their own records and use. Where that is the case, they may optionally fill in the total column.

### IV. A REMINDER ON FORMS DISTRIBUTION

AOs keep a copy and send original to MSC. MSC keeps original AO reports, does consolidation, sends original to PDC, sends copies as per instruction at top of page and retains file copy for its records.

## FORMS UPDATE

This update lists all new, revised, and obsolete forms since POSTAL BULLETIN 21654, January 14, 1988. Forms are categorized as new, revised, or obsolete, and are listed in order by number within each category. In the revised category, the third column indicates the date of the oldest issue that may still be used. When only the current issue may be used, the revised issue date is listed. The obsolete category also shows if and by what the form was replaced.

#### Missing Children Poster Display Instructions

Please display this poster prominently on bulletin boards in retail lobbies of main post offices, classified stations and branches. Please remove and discard previous versions. At their option, operators of contract postal units may display this poster.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children. For policy and information on Postal Service support in efforts to recover missing children, see POSTAL BULLETIN 21536, page 1, October 17, 1985.

Missing Children Posters are available from the U.S. Postal Service *only* through periodic issues of the POSTAL BULLETIN.

## 1988 ZIP + 4 STATE DIRECTORY PLACEMENT AND CUSTOMER ORDERS

Post offices and postal units will receive two home state copies of Publication 66-A, the *1988 ZIP + 4 State Directory* (For Internal and Lobby Use) by early February. They should place one copy in the post office lobby in the binder that protected the 1987 copy of Publication 66.

The two copies are shipped to each postal unit in separate cartons. They are labeled ZIP + 4 State Directory, Jan. 1988/Pub. No. 66-A, and bear pink address labels. The second copy is a spare for office reference.

Some state directories have more than one volume. Texas, for example, has *three* volumes because of the many address records in that state. Washington, D.C., units receive *two* volumes, which include both of the neighboring Maryland and Virginia state directories.

All postal units should place the lobby copy of Pub. 66 as close as possible to Pub. 65, *National Five-Digit ZIP Code and Post Office Directory*, unless traffic patterns or other considerations suggest another suitable location. Lobby retail clerks should easily be able to direct customers with ZIP + 4 inquiries to Pub. 66.

If post offices need additional copies for lobby use, account representatives (ARs) and postmasters/unit managers may order them by completing Form 4242, *ZIP + 4 State Directory Order Form for Mail Order Use*, according to specific ordering instructions previously supplied to all ARs. Offices

should display only *home state* ZIP + 4 directories. However, if postmasters/unit managers determine that local demand exists, they may also order and display neighboring state directories.

There are 35 Pub. 66, *ZIP + 4 State Directories* (Pub. Nos. 66-01 through 66-35). One specific directory covers each state and, in some cases, neighboring state(s). Form 4242 includes the Pub. 66 publication number for each state.

The *ZIP + 4 State Directories* are now available for purchase, by customers, *by mail order only*. The price is \$9 per state directory for single-volume state directories and multivolume larger state directories. One home state directory is available at no charge to firms using postage meters, permit imprint, or precanceled stamps or envelopes. Such firms should complete and submit Form 4244.

Interested customers should be supplied with Form 4242, *ZIP + 4 Code State Directory Order Form*, and Form 4244, *ZIP + 4 Code State Directory Order Form (card format)*. Form 4242 is stocked preinserted in prepaid, addressed, courtesy reply envelopes. Form 4244 is stocked as prepaid, addressed, courtesy reply postal cards. They are available from the divisions, management sectional centers, and the Eastern and Western Area Supply Centers. Account representatives should distribute Form 4244 to firms that qualify for a complimentary copy of a ZIP + 4 State Directory.
