*PURCHASING MANUAL REVISION*

## Purchasing Manual 3.2.3 is Revised

The Purchasing Policy Committee has decided to revise the Postal Service's purchasing policy regarding subcontracting with small, minority, and woman-owned businesses. This revision concerns *Purchasing Manual* 3.2.3, *Subcontracting with Small, Minority, and Woman-owned Businesses,* and related provisions and clauses.

Effective immediately, solicitations and contracts valued at $1 million or more must contain Provision 3-1, *Notice of Small, Minority, and Woman-owned Business Subcontracting Requirements* and Clause 3-1, *Small, Minority, and Woman-owned Business Subcontracting Requirements.* Together, the provision and clause require suppliers (with some exceptions) to submit contract-specific subcontracting plans with their proposals, and that the plans be agreed to by the Postal Service before contract award. Clause 3-2, *Participation of Small, Minority, and Woman-owned Businesses,* which must be included in all contracts valued at $500,000 or more, requires that suppliers report their subcontracting activity. Clause 4-3, *Contract Terms and Conditions Required to Implement Statutes or Executive Orders — Commercial Items,* has been revised to incorporate Clause 3-2 in purchases of commercial items when the value of the purchase is $500,000 or more. PM 3.2.3 has been revised to address this new policy. The changes follow.

**3.2 Supplier Diversity**

* * * * *

*[Replace current PM 3.2.3 with the following]*

**3.2.3 Subcontracting with Small, Minority, and Woman-owned Businesses**

**3.2.3.a** *General.* So that the Postal Service may fully realize the benefit of a supplier base that reflects the diversity of the American supplier community, suppliers are encouraged to use small, minority, and woman-owned businesses as subcontractors to the maximum extent consistent with effective contract performance.

**3.2.3.b** *Reports.* Each supplier awarded a contract valued at $500,000 or more must submit calendar-quarter reports (purchase teams may require more frequent submittals) on its subcontracting activity for that contract. Three types of reporting methods may be used: (1) reports showing direct subcontract awards awarded under the Postal Service contract; (2) reports showing subcontracting activity that is allocable to the Postal Service contract using generally accepted accounting practices; or (3) reports that are a combination of the two. During discussions (see 4.2.5.d), the purchase team and the supplier must negotiate and agree to which type of report will be used.

**3.2.3.c** *Subcontracting Plans.* Plans which specifically address subcontracting with small, minority, and woman-owned businesses are required for all contracts valued at $1 million or more. Unless formally waived by the contracting officer for urgent and compelling business reasons, suppliers must submit the plans with their proposals, and plans must be agreed to before award of the contract (small businesses are exempt from this requirement). Provision 3-1, *Notice of Small, Minority, and Woman-owned Business Subcontracting Requirements,* which discusses the plan requirement, and exempts small businesses from the requirement, must be included in all solicitations for contracts estimated to value $1 million or more, except under the following circumstances:

a. When the contract will be awarded using commercial procedures (see 4.3); or

b. When an indefinite-delivery contract or ordering agreement will be used (see 2.4.6 and 2.4.7).

**3.2.3.d** *Contract Clauses*

1. *Contracts Valued at $1 million or More.* Except for the instances listed below, all contracts valued at $1 million or more must include Clause 3-1, *Small, Minority, and Woman-owned Business Subcontracting Requirements.* This clause requires that the supplier prepare a contract-specific plan for subcontracting and reporting on such subcontracting activity, and that the plan be agreed to by the Postal Service prior to contract award. The clause is not included under any of the following circumstances:

   (a) When the contract is awarded to a small business;

   (b) When the contract is awarded using commercial procedures;

(c) When the contract is an indefinite delivery contract or ordering agreement.

2 *Contracts Valued at $500,000 or More.* All contracts expected to be valued at $500,000 or more must include Clause 3-2, *Participation of Small, Minority, and Woman-owned Businesses.* The clause requires that suppliers report their subcontracting activity by calendar-quarter. The report must be one of the types discussed in 3.2.3.b.

**3.2.3.e** *Purchasing Organization Reports.* Each purchasing organization must collect, compile, and report by calendar quarter on the number of suppliers submitting reports and the number and dollar value of subcontracts and purchase orders placed by Postal Service suppliers with small, minority, and woman-owned businesses. Summary reports must be forwarded to Purchasing and Materials' Supplier Development and Diversity organization.

**3.2.4 Classification Codes**

Purchases made from small, minority, and woman-owned businesses must be coded by socioeconomic classification. The codes shown in Exhibit 3.2.3.e are used to identify contracts and orders by socioeconomic classification.

**Appendix A Solicitations**

* * * * *

*[Replace current Provision 3-1 with the following:]*

**Provision 3-1 Notice of Small, Minority, and Woman-owned Business Subcontracting Requirements (February 1999)** (3.2.3)

All suppliers, except small businesses, or unless this purchase is being made under commercial purchasing procedures, must submit with their proposals the contract-specific subcontracting plan required by Clause 3-1, *Small, Minority, and Woman-owned Business Subcontracting Requirements.* Generally, this plan must be agreed to by both the supplier and the Postal Service before award of the contract.

* * * * *

*[Replace current clauses 3-1, 3-2, and 4-3, with the following:]*

**Appendix B Contract Clauses**

* * * * *

**Clause 3-1 Small, Minority, and Woman-owned Business Subcontracting Requirements (February 1999)** (3.2.3)

a. All suppliers except small businesses must submit a subcontracting plan that is specific to this contract, and that separately addresses subcontracting with small, minority, and woman-owned businesses. A plan approved by the Postal Service must be included in and made a part of the contract. Lack of an approved plan may make the supplier ineligible for award. A subcontract is defined as any agreement (other than one involving an employer-employee relationship) entered into by a Postal Service supplier or subcontractor calling for supplies or services required for performance of the contract or subcontract.

b. The supplier's subcontracting plan must include the following:

(1) Goals, in terms of percentages of the total amount of this contract that the supplier will endeavor to subcontract to small, minority, and woman-owned businesses. The supplier must include all subcontracts that contribute to contract performance, and may include a proportionate share of supplies and services that are normally allocated as indirect costs.

(2) A statement of the:

(a) Total dollars planned to be subcontracted under this contract; and

(b) Total of that amount planned to be subcontracted to small, minority, and woman-owned businesses.

(3) A description of the principal types of supplies and services to be subcontracted under this contract, identifying the types planned for subcontracting to small, minority, and woman-owned businesses.

(4) A description of the method used to develop the subcontracting goals for this contract.

(5) A description of the method used to identify potential sources for solicitation purposes and a description of efforts the supplier will make to ensure that small, minority, and woman-owned businesses have an equitable opportunity to compete for subcontracts.

(6) A statement as to whether the offer included indirect costs in establishing subcontracting goals for this contract and a description of the method used to determine the proportionate share of indirect costs to be incurred with small, minority, and woman-owned businesses.

(7) The name of the individual employed by the supplier who will administer the subcontracting program and a description of the individual's duties.

(8) Assurances that the supplier will require all subcontractors receiving subcontracts in excess of $1,000,000 to adopt a plan similar to the plan agreed to by the supplier.

(9) A description of the types of records the supplier will maintain to demonstrate compliance with the requirements and goals in the plan for this contract. The records must include at least the following:

(a) Source lists, guides, and other data identifying small, minority, and woman-owned businesses;

(b) Organizations contacted in an attempt to locate sources that are small, minority, and woman-owned businesses;

(c) Records on each subcontract solicitation resulting in an award of more than $100,000, indicating whether small, minority, or woman-owned businesses were solicited and if not, why not; and

(d) Records to support subcontract award data, including the name, address, and business size of each subcontractor.

c. Reports. The supplier must provide reports on subcontracting activity under this contract on a calendar-quarter basis. The report must be one of the types described in Clause 3-2, *Participation of Small, Minority, and Woman-owned Businesses.*

**Clause 3-2 Participation of Small, Minority, and Woman-owned Businesses (February 1999)** (3.2.3)

a. The policy of the Postal Service is to encourage the participation of small, minority, and woman-owned business in its purchases of supplies and services to the maximum extent practicable consistent with efficient contract performance. The supplier agrees to follow the same policy in performing this contract.

b. Subject to the agreement of the supplier and the Postal Service, the supplier will report subcontracting activity on one of the following bases:

(1) Showing direct subcontracting awards made;

(2) Showing subcontracting activity that is allocable to this contract using generally accepted accounting practices; or

(3) A combination of the methods listed above.

c. The supplier will submit a report to the contracting officer within 15 calendar days after the end of each calendar-year quarter, describing all subcontract awards to small, minority, or woman-owned businesses. The contracting officer may require more frequent reports.

* * * * *

**Clause 4-3 Contract Terms and Conditions Required to Implement Statutes or Executive Orders — Commercial Items (February 1999)** (4.3.7)

a. The following clauses are incorporated in this contract by reference:

(1) Clause 9-1, *Convict Labor* (January 1997)

(2) Clause 9-5, *Contract Work Hours and Safety Standards Act — Safety Standards* (January 1997)

b. If this contract is valued at $500,000 or more, Clause 3-2, *Participation of Small, Minority, and Woman-owned Businesses,* is incorporated into this contract by reference.

c. If checked, the following clauses are incorporated in this contract by reference:

*(Contracting officer will check as appropriate.)*

___ (1) Clause 9-10, *Service Contract Act* (January 1997)

___ (2) Clause 9-12, *Fair Labor Standards Acts and Services Contract Act — Price Adjustments* (January 1997)

___ (3) Clause 9-2, *Contract Work Hours and Safety Standards Act — Overtime Compensation* (January 1997)

___ (4) Clause 9-3, *Davis-Bacon Act* (January 1997)

d. *Examination of Records.* The Postal Service or its authorized representative shall have access to and right to examine any of the supplier's directly pertinent records involving transactions related to this contract. The supplier shall make available at its offices at all reasonable times the records, materials and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified for particular records. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved. As used in this clause, records includes books, documents, account procedures and practices, and other data, regardless of type and regardless of form. This does not require the supplier to create or maintain any record that the supplier does not maintain in the ordinary course of business or pursuant to a provision of law.

e. Notwithstanding the requirements of the clauses in paragraphs (a), (b), (c), or (d) of this clause, the supplier is not required to include any PM clause, other than those listed below (and as may be required by an addenda to this paragraph) in a subcontract for commercial items or commercial components:

(1) Clause 9-7, *Equal Opportunity* (January 1997)

(2) Clause 9-14, *Affirmative Action for Disabled Veterans and Veterans of the Vietnam Era* (January 1997)

(3) Clause 9-13, *Affirmative Action for Handicapped Workers* (January 1997)

* * * * *

These changes will be incorporated into a future edition of the *Purchasing Manual.*

# Domestic Mail

*POSTAL EXPLORER 7.0*

## CD-ROM Version

The Postal Explorer home page contains information and updates for the Postal Explorer 7.0 CD-ROMs mailed in January. From the Postal Explorer home page *http://pe.usps.gov,* click on the "What's New" button in the upper right corner and select "Postal Explorer 7.0 CD-ROM Update." This will provide update information for the domestic and international rate calculators and Postage Statement Wizard. Complete instructions and links are provided to download the new files.

The new files will correct the following:

- Domestic rate calculator — calculations for Standard Mail (A) pieces over 3.3 ounces, Periodicals In-County, and Bound Printed Matter Carrier Route zone 8 rates.
- Postage Statement Wizard — selected postage statements.
- International rate calculator — most recent country changes. Mailers should update the international calculator biweekly as country changes are published in the *Postal Bulletin.* To update the international rate calculator, connect to the Internet and then click on the "Update" button on the Postal Explorer CD-ROM. Postal Explorer will then automatically update the rate calculator.

Customers who purchased a Postal Explorer 7.0 CD-ROM and who cannot access the updates over the Internet should contact the National Customer Support Center (NCSC) to obtain a replacement CD. Customers with technical questions about the CD-ROM should contact the NCSC at 1-800-233-5866. Postal employees with technical questions about the CD-ROM should contact Raleigh FCSC Technical Support at 1-800-877-7435, Option 5.

### Local Area Network (LAN) Version

The LAN version of Postal Explorer 7.0 with *Domestic Mail Manual* (DMM) 54 and *International Mail Manual* (IMM) 20 should be available on Postal Service LANs by the first week of March.

*EXPRESS MAIL LABELS*

## New Express Mail Tape and Sticker

Two new Express Mail identification labels are now available at the Express and Priority Mail Supply Center. These new items — tape and sticker — are similar in format and design to the Priority Mail tape roll (Label 106-A) and Priority Mail sticker roll (Label 107-R). Examples of the two new items appear below.

The two new Express Mail items are designated as follows:

- Label 119, *Express Mail Tape* (roll of self-adhesive continuous identification labels).
- Label 127R, *Express Mail Sticker* (roll of 400 labels, pressure sensitive).

The Express Mail tape and stickers are particularly useful for identifying Express Mail manifesting shipments for which a one-part black-and-white barcoded mailing label is used in place of the red-white-and-blue four-part Express Mail label (see *Postal Bulletin* 21987, 12-17-98, page 12). The new items also can be used on any Express Mail shipment with the four-part Express Mail label.

There will be no automatic distribution of these new Express Mail items. Customers and post office personnel must order these items from the Express and Priority Mail Supply Center (these items are not stocked at the material distribution centers). Ordering can be done by any of these methods:

- Telephone: 1-800-610-8734
- Fax: 1-800-270-6233
- PS Formx DDD: soon to be updated

*PRIVACY ACT UPDATE*

## Privacy Act Report for Calendar Year 1998

The Postal Service must report its Privacy Act (PA) activities on a calendar year basis in a biennial report to the Office of Management and Budget. Each records custodian must report PA data for calendar year 1998 even if the report is negative; that is, even if no PA requests were received or denied.

### What If I Already Reported the Request on PS Form 8170?

PS Form 8170, *Freedom of Information Act and Privacy Act Request Report,* was not issued until mid-1998. Consequently, even if you completed a PS Form 8170 for a *Privacy Act* request received in calendar year 1998, you must still report it as required by this article.

### Which PA Requests to Report

Report only requests that meet *all* the following criteria:

- The request must be in writing.
- The requester must ask for access to or amendment of records about himself or herself.
- The request must specifically cite the Privacy Act.

### Do Not Include

- A request that does not cite the PA, even if it is of a PA nature and granted or denied under the Act.

  **Note:** Requests from current employees must be counted *only if* they are in writing and specifically cite the PA.
- A request for address information, e.g., change of address or boxholder information.

### Who Must Submit a Report

All records custodians must submit a report for calendar year 1998. A records custodian is the head of a postal facility such as an area, district, post office, or other postal installation that maintains Postal Service records and information. Vice presidents are the custodians of records and information maintained at Headquarters. (Headquarters field units should submit reports through their Headquarters offices.) Senior medical personnel are the custodians of restricted medical records maintained within postal facilities. The custodian of employee assistance program (EAP) records is either the Postal Service counselor, contractor, or Public Health Service, whoever provided the services. The employee and workplace intervention analyst is the custodian of EAP records created prior to March 1993.

### How to Submit Reports

Records custodians must send reports to their records office coordinator shown below *on or before* March 31, 1999. The report must be clearly marked *"Privacy Act Report for CY 1998."* A records office coordinator is located in the Finance office of each district and area Customer Service and Sales office. See *Administrative Support Manual* (ASM) 351.134.

| Records Custodians for: | Send Reports to: |
|---|---|
| Area offices | Records office coordinator in the area office |
| Processing and distribution plant offices | Records office coordinator in the performance cluster |
| Customer service and sales district offices | Records office coordinator in the performance cluster |
| Postmasters | Records office coordinator in the performance cluster |
| Headquarters field units | Headquarters (parent office) |

### How to Format Reports

Custodians must submit the required information in the format below.

## Overseas Military Mail

Mail addressed to, from, or between military post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The table below outlines these conditions by APO/FPO ZIP Codes through the use of footnoted mailing restriction codes, which appear on the page following the table.

Acceptance clerks should use this table with the integrated retail terminal (IRT) to determine whether an APO/FPO ZIP Code is active and which conditions of mailing apply. For Express Mail Military Service (EMMS) availability, refer to the local hardcopy EMMS directory.

The complete table appears in the last *Postal Bulletin* of each month.

## Sonoran Desert Commemorative Stamps

**Copyright USPS 1998**

The Postal Service will issue a 33-cent *Sonoran Desert* Commemorative Stamp, pane of 10 designs (Item Number 442000) in Tucson, AZ. The *Sonoran Desert* stamp was designed by Ethel Kessler of Bethesda, MD, and illustrated by John Dawson of Hilo, HI, and goes on sale in Tucson, AZ, on April 6, 1999. The stamp goes on sale nationwide on April 7, 1999.

The *Sonoran Desert* stamp pane of 10 designs is the first in a series of educational stamp panes designed to promote our appreciation of the North American biomes. The scene is a creation of the artist's imagination, but each element is painted accurately, based on photo reference and on research by Professor David E. Brown, a specialist in the classification of biotic communities. A list of the common and Latin names of each plant and animal in the stamp art will appear on the back of the stamp sheet.

## Daffy Duck Commemorative Stamp

**Copyright USPS 1998**

The Postal Service will issue a 33-cent *Daffy Duck* Commemorative Stamp (Item Number 558700) in Los Angeles, CA, on April 16. The *Daffy Duck* stamp was designed and illustrated by Ed Wleczyk, Frank Espinosa, and Brenda Guttman of Los Angeles, CA, and goes on sale nationwide on April 17, 1999.

America's favorite frolicking, frantic, feathered friend debuted in the black-and-white cartoon, *Porky's Duck Hunt.* However, it was not until his second short, *Daffy Duck and Egghead,* in which he again appeared with Porky Pig, that the hyperactive unpredictable duck was dubbed "Daffy." He was an immediate hit, and Daffy and Porky became an established team that worked together for many years. Though Daffy's overbearing personality played well off of Porky's shy disposition, Daffy proved an even better foil for another Looney Tunes™ character — the suave, unflappable Bugs Bunny who was featured on the first Looney Tunes™ stamp in 1997.

As a community service, the Postal Service offers pictorial cancellations to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial cancellations are authorized appears below. If available, the sponsor of the pictorial cancellation appears in italics under the date. Also provided, as space permits, are illustrations of those cancellations that were reproducible and available at press time.

People attending these local events may obtain the cancellation in person at the temporary post office station established there. Those who cannot attend the event, but who wish to obtain the cancellation, may submit a mail order request. Pictorial cancellations are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial cancellation date*.

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail postage (32 cents per envelope or 20 cents per postcard). Items submitted for cancellation may not include postage issued after the date of the requested cancellation. Such items will be returned unserviced.

Customers wishing to obtain a cancellation should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: PICTORIAL CANCELLATIONS, followed by the NAME OF THE STATION, ADDRESS, CITY, STATE, ZIP + 4 CODE, exactly as listed below (using all capitals and no punctuation, except the hyphen in the ZIP + 4 code).

After applying the pictorial cancellation, the Postal Service returns the envelope or postcard through the mail. Customers who want their serviced item returned under protected cover should include a larger, stamped, self addressed envelope.

*ENVIRONMENTAL UPDATE*

## Adoption of the Chesapeake Bay Program

Through a Memorandum of Understanding, the Postal Service has partnered with the U.S. Environmental Protection Agency to help protect the Chesapeake Bay watershed. The Chesapeake Bay watershed comprises 64,000 square miles including portions of New York, Pennsylvania, Delaware, Maryland, Virginia, West Virginia, and the District of Columbia.

To increase awareness on how to protect and restore the Chesapeake Bay, the Postal Service has developed a *BayScapes* poster and brochure. From March 1, 1999, through April 18, 1999, the *BayScapes* poster and informational brochure will be displayed in retail lobbies across the Chesapeake Bay watershed. The distribution has been coordinated with Retail Products and Services Development and Environmental Management Policy. Please contact your District Environmental Compliance Coordinator for further information.

## New Ordering Procedures for Rotary and LA Locks

Effective March 1, 1999, rotary and LA locks may be ordered using Touch Tone Order Entry (TTOE) or by faxing (785-861-2939) or submitting PS Form 7380, *MDC Supply Requisition,* to:

MATERIAL DISTRIBUTION CENTER
SUPPLY REQUISITIONS
500 SW MONTARA PKWY
TOPEKA KS 66624-9702

Order information:

| Lock Type | PSIN | PSN | Unit of Issue | Cost ($) |
|---|---|---|---|---|
| Rotary | O832 | 5340-04-000-5608 | EA | 0.00 |
| LA | O833 | 5340-04-000-5609 | EA | 0.00 |

All offices are directed to review their inventories of Rotary and LA Locks.

Rotary locks must be used to secure registered mail in transit, whether in pouches or CON-CON containers. Rotary locks are a valuable asset to the Postal Service and must be kept in circulation for the fullest operational and financial benefit. Offices must obtain an adequate supply of locks from the servicing registry section or the material distribution centers (MDCs). Use of PSIN O817C seal, tin band is only acceptable as an emergency substitution for the rotary lock. Tin band seals are 20 times more costly than rotary locks to the Postal Service.

LA locks must be used to secure surface pouches containing First-Class letter mail. LA locks are a valuable asset to the Postal Service and must be kept in circulation for the fullest operational and financial benefit.

Offices may not maintain more than a 5-day supply of the locks as outlined in Handbook PO-502, *Container Methods.* Serviceable rotary lock quantities greater than the 5-day demand should be sent to the registry section of the servicing processing and distribution center. Serviceable LA lock quantities greater than the 5-day demand should be sent to the outgoing section of the servicing processing and distribution center. Servicing processing and distribution centers with greater than a 20-day supply must return excess locks to the Mail Equipment Shops, marked “Excess to needs.”

Defective locks must be returned for repair or supervised destruction to:

*NEW MANAGEMENT INSTRUCTION*

## New MI on Lead Hazard Management

A new management instruction, MI-EL-810-1999-1, *Lead Hazard Management*, has been published and distributed to field offices. It can also be found on the Policies and Procedures page of the Postal Service IntraNet website at *http://blue.usps.gov/cpim*.

This MI establishes policy, general procedures, and responsibilities for preventing lead-associated health hazards and complying with federal and state lead regulations. Installation heads and support functions must establish specific processes and procedures to implement the instruction.

Lead-containing material, principally lead-based paint (LBP), presents a health hazard to postal employees and customers only if lead dust or fume is created. LBP in good condition is not a health hazard. If it is allowed to deteriorate, or if it is dry scraped, sanded, or burned, however, a health hazard can be created. Additionally, lead dust can be carried away from the job site and affect other persons. The instruction addresses all potential lead sources, including drinking water, and also provides a regulatory overview. For additional information, contact area or district safety and environmental professionals.

This MI may be ordered using Touch Tone Order Entry (TTOE), faxing 785-861-2939, or submitting PS Form 7380, *MDC Supply Requisition,* to:

*Through 1990 the F Fund was invested in the Wells Fargo Bond Index Fund.

The C Fund is invested in the Barclays Equity Index Fund, which tracks the S&P 500 stock index. The F Fund is invested in the Barclays U.S. Debt Index Fund, which tracks the Lehman Brothers Aggregate Bond index. Because of expenses and changing balances in the C and F Funds, their returns vary from Barclays' returns. The G Fund is invested in special issues of U.S. Treasury securities.

Future performance of the three funds will vary and may differ significantly from the returns shown above. See the "Summary of the Thrift Savings Plan" for detailed information about the funds and their investment risks.

The monthly C, F, and G Fund returns represent net earnings after deduction of accrued administrative expenses. The C and F Fund returns also reflect the deduction of trading costs and accrued investment management fees.

The C, F, and G Fund monthly returns are dollar-weighted: they reflect net earnings on the changing balances invested during the month. The C, F, and G Fund returns for the last 12 months assume, except for the crediting of earnings, unchanging balances (time-weighting) from month to month and that earnings are compounded on a monthly basis.

*DELIVERY CONFIRMATION LAUNCH*

## Preparing Retail Clerks for Delivery Confirmation Launch by March 14

The Postal Service will be back in the parcel delivery business, full force, on March 14 when Delivery Confirmation is unveiled. To prepare retail employees, a training course has been developed and distributed that gives retail clerks all the tools needed to educate customers, answer their questions, sell this exciting service, and accept it at the retail counter.

By the end of February, each post office will have received the Delivery Confirmation Retail Acceptance training course and video. The course includes four units:

- 1 — An overview of Delivery Confirmation
- 2 — Selling Delivery Confirmation
- 3 — Revenue Protection
- 4 — Retail Acceptance Process

Training of retail clerks needs to be conducted by a unit manager, supervisor, customer service manager, or on-the-job trainer between March 1 and March 12. Additional training materials are available on the Delivery Confirmation web page, *http://blue.usps.gov/delconf* and may be ordered through the district Senior Training Specialist.

"Customers have requested this feature, and it is management's responsibility to make sure retail clerks have the training they need to make the service a success," says Nancy Laich, manager of Retail Workforce Strategies. "The materials are available and easy to use. All employees need to do is put them to work."

Key dates to remember:

- Week of March 1 — Delivery Confirmation poster and service talk, "Now in Neon Green and Available for Standard B," arrive at post offices. Present service talk.
- March 1 to March 12 — Training course and video must be completed by March 12.
- Week of March 8 — Delivery Confirmation Information Kit arrives in post offices.
- March 10 — Automatic shipment of Delivery Confirmation labels should arrive at offices by this date. If not, contact your District Retail Manager who has a limited emergency supply. All non-emergency orders should be submitted through the material distribution centers (MDCs).
- March 14 — National launch of Delivery Confirmation.
- March 15 — National advertising for Delivery Confirmation begins. Watch for ads during commercial breaks of *20/20, 60 Minutes,* and the NCAA Tournament.
