ORDERS AFFECTING THE POSTAL SERVICE.

VOL. XVI.

POST OFFICE DEPARTMENT, WASHINGTON, D. C., SATURDAY, JUNE 8, 1895.

NO. 4655

The Daily Postal Bulletin,

ISSUED FROM THE OFFICE OF
GEN'L SUP'T RAILWAY MAIL SERVICE,
JAMES E. WHITE, GEN'L SUP'T.

NOTE.—This number of the Bulletin consists of two sheets, Nos. 4655 and 4655a.

Instructions to all Postmasters.—Specially Addressed Registered Letters for Japan and China.

POST OFFICE DEPARTMENT,
OFFICE OF THIRD ASS'T P. M. GEN'L.
WASHINGTON, D. C., June 7, 1895.

Two lines of steamships convey mails from the United States to Japan and China, sailing from San Francisco, Cal., twice, and occasionally three times per month.

Another line of steamships conveys mails to the same countries, leaving Tacoma, Wash., once, and sometimes twice per month.

Inasmuch as it is impracticable for most of the postmasters throughout the country to keep accurately advised of the dates of sailing of the steamships of the different lines from different ports, they should therefore continue to make up registered pieces for China and Japan in registered package envelopes addressed to the postmaster at San Francisco, Cal., excepting, however, from this rule all registered pieces addressed by the senders to go via steamships of the Tacoma line, or addressed "via Tacoma, Wash." All such specially addressed registered articles from any post office in the United States should be billed and made up in registered package envelopes addressed to the postmaster at Tacoma, Wash.

Special instructions will be given to postmasters at several of the large cities to carefully calculate the time required for train dispatches between their respective offices and Tacoma, Wash., having reference to the dates advertised for steamship sailings to China and Japan, and when expedition can certainly be gained for registered mail, not specially addressed to go otherwise, they will bill such registered mail to Tacoma, Wash. Otherwise preference will be given to the San Francisco exchange office.

KERR CRAIGE,
Third Ass't Postmaster General
