ISSUED FROM THE OFFICE OF
THE POSTMASTER GENERAL.

ORDER OF THE POSTMASTER GENERAL.

OFFICE OF THE POSTMASTER GENERAL,
WASHINGTON, D. C., June 4, 1907.

ORDER No. 401.

The Postal Administration of Mexico has advised this Department, under date of the 25th ultimo, as follows (translation):

"By order of the President of the Republic, there is prohibited, until further notice, the importation of any kind of arms and ammunition into the States of Tabasco and Chiapas. Consequently the articles in question destined for places in the States named above, which are received in the Mexican service by mail, will be returned by the Mexican exchange offices to the foreign dispatching exchange offices."

In view of the foregoing and in furtherance of the Postal Convention between the United States and Mexico, United States postmasters are directed to decline to receive for mailing packages addressed for delivery at places in the Mexican States of Tabasco and Chiapas which contain arms or ammunition of any kind.

This order does not modify the Postmaster General's order No. 355a, dated April 14, 1905, announcing the prohibition against the importation of certain kinds of ammunition and Mauser and Remington firearms for delivery at any place in Mexico.
