New Parcel-Post Convention Between The United States And Salvador.

OFFICE OF SECOND ASS'T P. M. GEN.,
WASHINGTON, Sept. 18, 1917.

A parcel-post convention having been concluded between the United States and Salvador, notice is hereby given that said convention is effective immediately, and substitutes the parcel-post convention heretofore in force between the two countries.

Under the new convention, the weight limit has been raised from 11 to 20 pounds; the sender of a registered parcel is entitled, in case of loss, damage or rifling thereof, to an indemnity equal to the amount of the actual loss incurred, but not exceeding the equivalent of 50 francs; and the graduated charges of 5 cents for the first pound and 1 cent per additional weight of 4 ounces collectible from the addressee, has been eliminated. The charges now to be collected will be the usual delivery fee of 5 cents per parcel whatever its weight.

Section 194, page 141; Section 211, page 142 and the paragraph preceding the table on page 131 of the Postal Guide for July, 1917, should be modified accordingly.

Postmasters will please take due notice of the foregoing and give it the widest possible publicity.
