NO. 11700

Special 16-Cent Stamp For Aeroplane Service.

OFFICE OF THIRD ASS'T P. M. GEN.,
WASHINGTON, July 11, 1918.

1. Postmasters and other officers and employees of the Postal Service are notified that the Department is issuing a new postage stamp of 16-cent denomination. It is intended primarily for the aeroplane mail service, under the new rate effective July 15, 1918 (Postmaster General's Order No. 1617, of June 26, 1918), but will be valid for all purposes for which postage stamps of the regular issue are used.

2. A description follows:
The stamp is rectangular in shape, about 3/8 inch long and 1/2 inch high; color green. The central design is a mail aeroplane in flight. Above, in a curved line of Roman capital letters, are the words "U. S. Postage." Triangular ornaments appear in the two upper corners. Below the aeroplane, in a straight line of Roman capital letters, is the word "Cents," with the numerals "16" within circles in the two lower corners.

3. To obtain the new stamps, central-accounting and direct-accounting postmasters will draw requisition upon the Department on Form 3501, writing the denomination "16" on one of the blank lines, and complying carefully with Sections 27 to 29, 33 and 36, pages 31 and 35, 1917 Postal Guide. Requisitions which disregard these instructions will be returned to postmasters for completion. Requisitions will not be made special, but will be filled in the order of receipt at the Department.

4. Postmasters will not precancel the 16-cent stamp.

A. M. DOCKERY,
Third Ass't P. M. Gen.
