WASHINGTON, DECEMBER 14, 1918.

NO. 11829

Special 6-Cent Stamp For Aeroplane Service; Continued Use Of 16-Cent And 24-Cent Aeroplane Stamps.

OFFICE OF THIRD ASS'T P. M. GEN.,
WASHINGTON, Dec. 11, 1918.

1. Postmasters and other officers and employees of the Postal Service are notified that the Department is issuing a new postage stamp of 6-cent denomination. It is intended primarily for the aeroplane mail service, under the new rate effective December 15, 1918. (Postmaster General's Order No. 2415, of November 30, 1918), but will be valid for all purposes for which postage stamps of the regular issue are used.

2. A description follows:
The stamp is rectangular in shape, about 7/8 inch long and 3/4 inch high; color orange. The central design is a mail aeroplane in flight. Above, in a curved line of Roman capital letters, are the words "U. S. Postage." Triangular ornaments appear in the two upper corners. Below the aeroplane, in a straight line of Roman capital letters, is the word "Cents," with the numeral "6" within circles in the two lower corners.

3. To obtain the new stamps, central-accounting and direct-accounting postmasters will draw requisition upon the Department on Form 3201, writing the word "Aeroplane" on the line opposite the 6-cent denomination and complying carefully with sections 50 to 52, 57 and 60, pages 37 and 38, 1918 Postal Guide. Requisitions which disregard these instructions will be returned to postmasters for completion. Requisitions will not be made special, but will be filled in the order of receipt at the Department.

4. The 16-cent aeroplane stamp will be available for special delivery fee and a single rate of letter postage (8c) on aeroplane mail. The 24-cent stamp will be available for aeroplane letters weighing in excess of three and not more than four ounces.

A. M. DOCKERY,
Third Ass't P. M. Gen.
