3-CENT MARQUIS DE LAFAYETTE COMMEMORATIVE POSTAGE STAMP

The Department will issue a 3-cent commemorative stamp to mark the one hundred seventy-fifth anniversary of the arrival of Marquis de LaFayette in America through the Georgetown, S. C., post office on June 13, 1952. It was at this point that LaFayette landed on June 13, 1777.

The stamp will be 0.84 by 1.44 inches in dimensions, arranged horizontally, with a double outline frame, printed by the rotary process, electric-eye perforated, and issued in sheets of 50. The color of the stamp will be blue.

The printing of 110,000,000 LaFayette commemorative stamps has been authorized.

The central design of the stamp is a portrait of LaFayette in an oval frame. At the left of the portrait is displayed the American flag, and to the right the French flag. A cannon of the period herein represented appears under the American flag. Beneath the French flag is shown an artist's conception of the landing party rowing ashore with the "Victoire" lying offshore. In a dark panel which forms the top of the stamp appears the wording "Arrival of LaFayette in America—1777" in white-face gothic. Located in the bottom center a dark ornamental panel frames the lettering "U. S. Postage" in white-face modified gothic. The denomination "3¢", also in modified white-face gothic, in a dark square panel is in each lower corner of the stamp.

Stamp collectors desiring first-day cancellations of this stamp may send a limited number of addressed envelopes not in excess of 10, to the Postmaster, Georgetown, S. C., with money-order remittance to cover the cost of the stamps to be affixed. **Postage stamps and personal checks will not be accepted in payment.**

Envelopes submitted should be of ordinary letter size, and each must be properly addressed. An enclosure of medium weight should be placed in each envelope, and the flap either sealed or turned in. An outside envelope must not be sent for return of first-day covers. The envelope to the Postmaster, Georgetown, S. C., should be endorsed "First Day Covers." Collectors should refrain from requesting hand cancellations, since covers will be machine canceled so far as practicable. Orders for first-day covers must not include requests for uncanceled stamps.

For the benefit of collectors desiring stamps of selected quality for philatelic use, the 3-cent LaFayette commemorative stamp will be available at the Philatelic Agency, Post Office Department, Washington 25, D. C., on and after June 16, 1952. To insure prompt shipment, mail orders to the agency should include no other stamp issues. **The Philatelic Agency does not service first-day covers.**

Postmasters at direct- and central-accounting post offices will receive an initial supply of the LaFayette commemorative stamps on orders prepared in the Department. Therefore, postmasters at these offices will not submit requisitions for the same. Direct- and central-accounting postmasters are furnished commemorative stamps as fast as they can be manufactured. They are, therefore, requested to refrain from reporting the nonreceipt of shipments until a reasonable time has elapsed after the first day of issue.

Postmasters at district accounting post offices may obtain needed quantities of the 3-cent LaFayette commemorative stamps by requisition on the central-accounting postmaster.

Postmasters will please post a copy of this notice on the bulletin board, give information to the press, and notify all local stamp clubs regarding the issuance of the 3-cent LaFayette commemorative stamp.

Postmasters are cautioned not to place the stamp herein announced on sale before June 14, 1952.
