New 6-Cent Postage Stamp

The Department will issue a 6-cent air mail stamp to commemorate the 50th anniversary of the United States Air Force as part of the National Defense System, through the Washington, D. C., post office, on August 1, 1957.

The stamp will be 0.84 by 1.44 inches in dimension, arranged horizontally, printed by the rotary process, electric-eye perforated, and issued in sheets of 50. The color of the stamp will be Air Force blue. An initial printing of 40 million of these stamps has been authorized.

The stamp has for its central subject a B-52 Stratofortress in a banking position with three F-104 Starfighters in the background. The Air Force eagle and thunderbolt shield appear in the upper left corner of the stamp superimposed over a portion of the wing of the Stratofortress. The wording *Fiftieth Anniversary United States Air Force* is arranged in one line across the top of the stamp and to the right of the design. The wording *U. S. Air Mail Postage* and the denomination *6¢* appear in the lower right portion of the stamp. All lettering is in white face gothic.

Stamp collectors desiring first-day cancellations of this stamp may send addressed envelopes to the Postmaster, Washington 13, D. C., with money order remittance to cover the cost of the stamps to be affixed. Postage stamps and personal checks will not be accepted in payment. Envelopes submitted should be of ordinary letter size and each must be properly addressed. An enclosure of medium weight should be placed in each envelope and the flap either turned in or sealed. An outside envelope must not be sent for return of first-day covers. The envelope to the Postmaster, Washington 13,
