4-Cent Dr. Ephraim McDowell "Famous American" Postage Stamp

The Department will issue a special 4-cent stamp in honor of Dr. Ephraim McDowell on December 30, 1959, through the Danville, Ky., post office.

Size: 0.84" x 0.98". Color: Maroon. IS-SUED IN SHEETS OF 70. Initial printing: 120 million.

To obtain first-day cancellations, collectors may submit requests to: Postmaster, Danville, Ky. See Postal Manual, 145.3. Selected mint stamps will be available at the Philatelic Sales Agency, Post Office Department, Washington 25, D.C., on and after December 31, 1959.

Postmasters shall immediately requisition this stamp so ample quantities will be available at all offices on December 31.

1st- and 2d-class offices requiring minimum lots of 7,000 or multiples as in 422.322c, Postal Manual, shall submit Form 3356 (use Item 476) to the Bureau of Engraving and Printing, Washington 25, D.C.

Offices requiring less than 7,000 stamps shall submit a separate requisition on Form 017 to their RDPO.

Do not include stamps other than the McDowell on the above requisitions. Subsequent requisitions for this issue may be combined with other items.—Office of the Special Assistant to the Postmaster General, 10-29-59.

International Mail— Parcels Containing Liquids

Reports reaching the Department indicate that parcels containing liquids with flash points below 150° F. are being improperly mailed to other countries.

Liquids with flash points between 80° and 150° F., classed as combustible, may be mailed to other countries only in quantities not exceeding a quart in any one parcel, except that paints and certain similar substances may be mailed in quantities less than a gallon. The parcels must be marked by the senders to indicate that the flash point is above 80° (see 222.321, Postal Manual). The liquids must be packed as prescribed in 222.212b, Postal Manual.

Liquids with flash point below 80° are classed as inflammable and are excluded from the international mail (222.31h, Postal Manual).

Postmasters will see that parcels containing liquids are not accepted unless they conform to regulations.— Bureau of Transportation, 10-29-59.

Sale of Objectionable Publications in Lobbies of Post Offices

Officials in charge of postal installations and postal inspectors shall regularly check vending stands in lobbies of post offices. The officials in charge shall report significant violations of section 614.41, Postal Manual, to the State licensing agency. Violations of section 614.42, Postal Manual, shall be reported to the Assistant Postmaster General, Bureau of Operations, Postal Services Division, Washington 25, D.C. With the report, submit a copy of the objectionable matter.

The Postal Manual will be amended accordingly.—Deputy Postmaster General 10-29-59. All Post Offices With City Delivery Service

Mail for Muscular **Dystrophy Associations of** America, Inc.

The Department has approved the request of the Muscular Dystrophy Associations of America, Inc., and will again permit the use of the simple form of address, MDAA, c/o Postmaster, during the 1959 national campaign, scheduled to run during the month of November 1959.

All letters addressed to Muscular Dystrophy Associations of America in care of the local postmaster, when received at any post office, in a State, shall be forwarded to the central post office in the city designated opposite the name of that State, as shown below. They will be delivered to the authorized agent of MDAA in accordance with instructions given by letter to the postmaster of that city. Such letters received at any local post office should be forwarded daily to the designated State central post office. When three or more are being forwarded, they should be sent under cover of a penalty envelope or label. Any shortpaid or unpaid letters should be rated with deficient postage.

International Parcel Post

It is anticipated that during the Christmas mailing season there will be a considerable increase in the number of international parcel post packages mailed at post offices throughout the country.

It is important that care be exercised in accepting international parcels so that they will not be detained at exchange offices due to irregularities which occurred at the time of Postmasters will see that mailing. window clerks are not only familiar with the general mailing instructions in Part 222, Postal Manual, but that they also consult the country items in the Directory of International Mail to assure that each parcel bears proper postage, has the correct forms attached and otherwise conforms to the regulations.-Bureau of Transportation, 10-29-59.

Argentine Consular Documents Required for Parcel Post

The customs regulations of Argentina have been amended to require that all parcels for that country, except gifts valued under \$5, must be accompanied by legalized consular documents. A combined consular invoice and certificate of origin (original and 3 copies) and a commercial invoice (original and 2 copies), executed on prescribed forms in Spanish, must be submitted for legalization to the Argentine consular authorities, who charge service fees based on the value of the parcels.

Persons desiring to mail parcels to Argentina, other than gifts under \$5 in value, should be informed of the foregoing, and if they have not complied with the requirements, they should be advised to communicate with an Argentine consulate prior to mailing. The Argentine Consulate General is located at 12 West 56th Street, New York 19, N.Y., and consulates are established in Baltimore, Md.; Boston, Mass.; Chicago, Ill.; Houston, Tex.; New Orleans, La.; and San Francisco, Calif.

The consular fee for legalization of disinfection certificates for used clothing sent to Argentina has been reduced to \$4.29.

The Directory of International Mail will be appropriately amended.—Bureau of Transportation 10-29-59.

Temporary Deviations on Rural Routes

Form 4031, Temporary Deviation on Rural Route, has been developed for use by postmasters in reporting to regional offices necessary temporary deviations by rural carriers from the official line of travel of their routes.

The form is to be prepared in triplicate in accordance with the instructions thereon, using a separate set of forms for each carrier. Send original and one copy to the regional office and retain one copy. When approved by the Delivery Services Officer, the copy will be forwarded to the regional controller as authority for payment for the required additional travel during the first 30 calendar days of the deviation. For deviations lasting more than 30 calendar days, the regional office will authorize a temporary increase in the route length and salary, beginning with the 31st day.

Postmasters should requisition immediately, using Form 4750, Special Requisition for Supplies, a small supply of the form sufficient to meet their needs until the next regular requisitioning period.

Section 353.454, Postal Manual, will be amended.—Bureau of Operations, 10-29-59.
