The Postal Bulletin

ISSUED FROM THE OFFICE OF
GEN'L SUP'T RAILWAY MAIL SERVICE.
JOHN JAMESON, GEN'L SUP'T.

WASHINGTON, D. C., JAN. 7, 1887.

NOTICE.

The Act approved January 3d, 1887, authorizes the issue only of Postal Notes (not the payment thereof) at such post offices other than money-order offices, as the Postmaster General may designate.

Every application, or petition for the extension of this privilege should specify the number of inhabitants of the place from which it emanates, and, briefly, the reasons for desiring the extension of the postal note system, and should contain such statements as will tend to show that this means of making small remittances is needed. Each application, or petition should be signed by the postmaster of the locality, who will be required to give a slightly increased bond to cover the value of the blank notes entrusted to him, and should be addressed to the Superintendent of the Money Order System, Post Office Department, Washington, D. C.
